RESIDENT COMPANY PROGRAM

READY TO GET YOUR BUSINESS OFF THE GROUND?

Our Resident Company Program is non-sector specific. Whether you're working in food, wellness, tech, apparel, social enterprise or other - we can help you start and grow your business. You should apply for our **Resident Company Program** if you need help with the following:

WORKSPACE

24-hour building access to our community workspace, our spacious boardroom, and our three small break-out rooms.

IN-KIND OFFICE HOUR SUPPORT

Access our network of professionals and set up one-on-one meetings with our office hour providers in legal, accounting, marketing & sales.

IN-HOUSE SPECIALISTS

We have a network of specialists to work with on a variety of business development projects from logo design to sales coaching to website development.

FREE ACCESS TO EVENTS

We host hundreds of events annually. Our companies get free access to all of our information sessions, workshops, lunch & learns, and more.

NETWORKING & EXPOSURE

Our bright community workspace provides a collaborative environment for our companies to bounce ideas off one another and make important connections with partners, sponsors and board members.
